NEXUS ENGINEERING GROUP HIRES LISA THEIS TO KEEP UP WITH EXPANDING COMPANY GROWTH

Lisa Theis brings more than 15 years of hands-on human resource and office management experience to Nexus.

Cleveland, OH - Nexus Engineering Group LLC announces the hiring of Lisa Theis to manage HR functions in May 2018. Theis, with extensive experience and moxie, has made an immediate impact in the hiring, recruiting, and on-boarding of new employees for Nexus.

Prior to joining Nexus, Theis spent six years as the HR and office operations manager for United Way Agency, Youth Opportunities Unlimited in Cleveland. There she was responsible for all human resource functions, benefits administration, payroll, office operations, procurement, facilities management, and IT systems through equipment and *help-desk* coordination.

Theis also worked for Ernst & Young, PricewaterhouseCoopers and Employee Benefits International, as well as other client service-based employers in Northeast Ohio. She is skilled in employee relations, benefits administration, claims resolution, recruitment, onboarding, training, policy implementation, and employment law compliance. She views company staff as her clients and enjoys helping wherever possible.

"We are happy that Lisa is part of the Nexus team," said Jeff Herzog, president of Nexus Engineering Group LLC. "She brings the skill and experience needed by our team. In addition, she will help us recruit the best and brightest candidates to fill immediate open positions. As our company continues to grow, so does our need for qualified professionals to work on client project that make a difference in the world," said Herzog.

Nexus Engineering Group has sustained double digit growth each year since its creation in 2005 when Jeff Herzog and Marianne Corrao formed the company as a better way to provide customer-driven engineering solutions to refineries, chemical plants, and manufacturing companies.

"I'm excited to be a part of the Nexus family and I appreciate a culture of "thinking differently". I look forward to helping the Nexus team continue to expand and grow in their industries," said Theis.

About Nexus Engineering Group LLC

Nexus Engineering Group LLC, headquartered in Cleveland, and with offices in Maumee, Ohio and Houston, Texas, is a full-service, independent engineering firm focused on supporting clients' specific project goals from concept to startup. Since 2005, clients have recognized Nexus as the engineering firm of choice in the refining, petroleum midstream, chemical, manufacturing and utilities industries.

With more than 100 professionals on staff, Nexus is made up of experienced process, instrumentation and controls, structural, electrical, mechanical, and piping professionals with decades of hands-on conceptual and detailed system design and construction and project management experience.

Nexus delivers project designs that reduce overall risks resulting in safer work environments. By utilizing state-of-the-art software and innovative design tools, Nexus consistently meets client project and investment requirements. Get to know us and you will agree that Nexus is not your typical engineering firm - *"We think differently"*.
